Pacific Partnership: Recap of Vietnam

Filed under HOSPITALS, HUMANITARIAN ASSISTANCE AND DISASTER RELIEF, OPERATIONS

[NO COMMENTS]

Now in its seventh year, Pacific Partnership is a U.S. Navy Medicine, U.S. Pacific Fleet and the U.S. Navy’s Military Sealift Command humanitarian and civic assistance mission aboard the USNS Mercy designed to build stronger relationships and disaster response capabilities in the Asia-Pacific region.

Vietnam Community Service Project for Children with Disabilities

U.S. service members, Partner Nations and Non-Governmental Organization volunteers visit a school for children with disabilities in Vinh, Vietnam to play games, craft origami and perform for the children as part of Pacific Partnership 2012.

Pacific Partnership 2012 Saving Lives Together

Navy Medicine Video

Navy Medicine is a global healthcare network of 63,000 Navy medical personnel around the world who provide high quality health care to more than one million eligible beneficiaries. Navy Medicine personnel deploy with Sailors and Marines worldwide, providing critical mission support aboard ship, in the air, under the sea and on the battlefield.
